

## **Falmouth Together We Can, Inc. Tools of the Trade Scholarship**

The Tools of the Trade Scholarship was originally founded with the goal of increasing the population of young skilled trades people living and working in Falmouth. Recent scholarship recipients have included a plumber, dog groomer, electrician, aesthetician, mechanic, CDL truck driver, and locksmith, just to name a few. The scholarship is designed to help individuals up to age 26, looking to live or work in the Falmouth area in the future, seeking to pursue continued education in trade programs. Applications are accepted on a rolling basis.
